On behalf of the Mississippi Quarter Horse Youth Association (MQHYA) we would like to thank you for sponsoring the Roland Stacy Memorial Show to be held in Jackson, MS on April 22-23, 2011.

The money collected by the youth will go to offset the cost of hosting this show. The youth actually manage all aspects of the show from renting the facility to hiring judges to manning the paddocks. It is a wonderful learning opportunity for the youth as well as an exceptional chance to give back to the community. We value our youth. Thank you for supporting our future leaders.

The youth organization is the Mississippi branch of our larger affiliate of The American Quarter Horse Association. Our youth participate locally as well as nationally. MQHYA sent a team to the American Quarter Horse Youth World Finals in Oklahoma, City and sent a NYATT team to the All American Quarter Horse Congress in Columbus, Ohio last October. The youth have given gifts to Batson Children's Hospital in Jackson, to the Swayze Memorial Scholarship fund, to a young cancer patient, donated canned goods to a shelter, and are involved in other community events and charities. Thank you for helping us to continue to make our show, our dreams, and the future of MQHYA possible as well as an organization to benefit our youth and others in need.

Sincerely,

Claire Cornett
Member of Youth Advisory Board
